BECOME A PILOT MENTOR & Participate to the International Air Rally event

www.airrally.com

Aviation Connection Pilot Mentor program helps low time or student pilots connect with experienced current pilots.

A PILOT MENTOR PLAYS AN IMPORTANT ROLE IN GENERAL AVIATION

Aviation Connection Pilot Mentor gives the opportunity to a “Low Time Pilot” and co-pilot to improve his/her skills, gain confidence and accelerate his/her flying training. A “Low Time Pilot” supported by a Mentor is far more likely to continue flying and pursue other flying goals (IFR, multi, commercial, etc...).

Conditions to become a Pilot mentor:

- Register with Aviation connection Pilot mentor program
- Find a Low Time Pilot or request Aviation Connection for a match.
- Account for over 600 flying hours (be current)
- Register to the Aviation Connection International Air Rally event

Benefits:

- Become an active member of the IAR Aviation connection fund raising program:
 - Receive the leather Pilot Mentor Bomber jacket
 - Reduce costs of participation in the International Air Rally: expenses shared with the help of the Pilot Mentor funding program.
 - Share your passion and knowledge with a new pilot
 - Play an important role as a supporter of General Aviation.
 - Participate to the largest FLYING event in North America.!

Getting Started Procedure:

- After you register to the Aviation Pilot Mentor Program ([registration form](#))
- Aviation Connection will use the information provided to make a match with a registered “Low Time Pilot”.
 - The Pilot Mentor will be introduced to the low time pilot and co-pilot to be.
 - Once the match is made, the team must register on line to the International Air Rally event to activate the Aviation Connection funding process :www.airrally.com/2/form.htm
Team can register two years ahead of the event.
 - At the end of the rally, the Pilot Mentor will receive the Aviation Connection Pilot Mentor “Bomber style” leather jacket in recognition of his contribution to General Aviation. www.aviationconnection.org
 - Aircraft stickers and T-shirt will be provided before the Air rally starts.

Note: A Pilot Mentor knows a “Low Time Pilot” from his club or neighbourhood? They can both register to the program. Father & son/daughter/spouse or other family members are also eligible to the program as long as the co-pilot is a low time certified pilot.
