

BECOME A LOW TIME PILOT CANDIDATE & participate to the International Air Rally event www.airrally.com

1. Condition to become eligible to the AC Pilot Mentor funding program

No matter what age, the pilot with a low time flying record on type (up to 200 hours on single, twin, helicopter), is looking to share his passion, improve skills and join the International Air Rally with an experienced Pilot and committed Mentor.

Note : Also eligible to the program:

- A team composed of "Low Time" certified pilots is eligible to the ACPMP program.
- A team composed of a non graduated student pilot* accompanied by a Flight instructor is also eligible to the AC Pilot Mentor program.

**Transport Canada exam accomplished with success.*

2. Benefits :

- Low Time Pilot will be introduced to an experienced pilot volunteering to take a new pilot on board, as a co-pilot for the purpose of sharing his flying knowledge and experience
- Low time Pilot will share costs incurred during the International Air Rally event with the Pilot Mentor and plane owner.
- Low time pilot will receive funding support through the proceeds received from the Aviation Connection International Air Rally event sponsors, according to ACPMP regulations.
- Funding support will be allocated to the Low Time Pilot : Aviation Connection will raise 1\$ for every 1\$ raised by LTP up to 500\$ allocation per candidate.
- Aviation Connection will support Low Time Pilots in the pursuit of funding :
 - Fundraising Fly-in.
 - Fundraising direct sales: Aviation Connection Pilot Mentor promotional items such as pilot leather jackets & polos will be made available at cost to Low-time pilots. Orders will be processed by Aviation Connection.
 - Fund raising and media package will be made available to LTP in search of sponsors.

A great number of Pilot Mentors and sponsors will come forward to participate to the program. Like any new concept, the Pilot Mentor program will take time to trigger the attention across North America. Should the number of Low Time Pilots surpass the number of Pilot Mentors, Low Time Pilot's implication in fund raising activities will be the determinant selection factor.

3. Getting started

To become a candidate, a LTP must start by filling out the [application form](#)

4. Become a Low Time Pilot candidate

- Aviation Connection evaluates the information provided on the registration form.
- A match is made with a registered Pilot Mentor (according to PM application form)
- LTP and co-pilot to be is introduced to the selected Pilot Mentor.
- Once the match is made, **the team** registers online to the International Air Rally event to activate the Aviation Connection funding process. www.airrally.com/2/form.htm .

Note: Team can register two years ahead of the event in which case funding is received after they participate to the event.

- LTP will receive the Aviation Connection Pilot Mentor polo and recognition plate and sticker [/www.aviationconnection.org/programs.htm](http://www.aviationconnection.org/programs.htm) .

Note: A Low Time Pilot knows a Potential Pilot mentor from his club, school, etc...? They can both register to the program. Father & son/daughter/spouse or other family members are also eligible to the program as long as the Pilot Mentor meets Aviation Connection requirements.
